Hi Cassie,

The issuance letter for the initial EUP is dated May 1, 2020 and can be found on <https://www.regulations.gov/document/EPA-HQ-OPP-2019-0274-0353>.

Hey Cassie,

When you say old EUP do you mean the initial issuance of this current EUP or the previous EUP that was withdrawn?

Hi Matt,

I am citing the old EUP in the tet memo. Do you have the date for that handy? Also, is there a specific citation for it?

Thanks!

Cassie

Subject: Oxitec Response to 75 Day Letter

Hi everybody,

I will be updating the SF tasks with this link, but for ease of access I am also sending this email. Please use the following link to access Oxitec's response. I have split the contents by review teams, but you will have access to all docs in case you need anything. [☐ Jan 75 Day Response](#)

Please let me know if there are any issues.

Thanks!
